TAM Balanced Fund (the Sub Fund)

a sub fund of Platform Capital UCITS ICAV (the ICAV)

The Manager is Quayside Fund Management Limited

OBJECTIVES AND INVESTMENT POLICY

The Sub-Fund aims to generate capital growth over the longer term and will experience potentially frequent and higher levels of volatility as a result of strong exposure to equity related investments.

The Sub-Fund will seek to achieve its investment objective through investing in a wide range of diversified collective investment schemes including unit trusts, mutual funds, UCITS and exchange traded funds (**ETFs**). Asset class allocation in this portfolio are government bonds, corporate bonds, equities and cash.

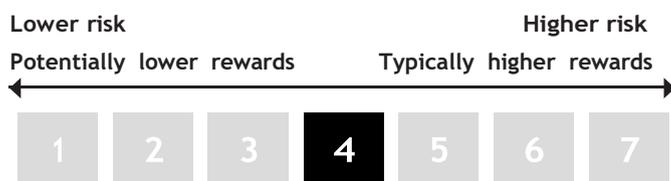

The Sub-Fund may also, for ancillary liquidity purposes, hold and invest in cash, bank deposits and short-term debt instruments which may be fixed or floating rate instruments.

Recommendation: this Sub-Fund may be suitable for investors with an investment horizon of over five years that seek moderate capital growth.

For full details of the objectives and investment policy please refer to the prospectus and supplement.

There will be no dividend distribution in respect of this share class. You may redeem your investment on demand on every dealing day.

RISK AND REWARD PROFILE

- » The risk and reward category is calculated using historical data which may not be a reliable indicator of the Sub Fund's future risk profile.
 - » The risk and reward category may shift over time and is not a target or guarantee.
 - » The lowest category (i.e. Category 1) does not mean a risk-free investment.
 - » The Sub Fund is in Category 4 because of the range and frequency of price movements (volatility) of underlying investments by the Sub Fund.
 - » The Sub Fund is in a lower risk category because it invests primarily in other collective investment schemes. Shares may offer high long-term growth potential but the prices of shares fluctuate and often go down as well as up.
 - » The Sub Fund is not guaranteed and your investment is at risk. The value of your investment may go down as well as up.
- » The following are additional risks not covered by the risk and reward category:
 - The Sub Fund may hold assets, either directly or through its holdings in other investment funds, which may be denominated in or have exposure to a currency other than the currency of the shares in the fund or of the country in which you live. Currency fluctuations may strongly affect the value of your investment.
 - The Sub Fund relies upon the performance of the Manager and the Discretionary Investment Manager. If the Manager and the Discretionary Investment Manager performs poorly the value of your investment is likely to be adversely affected.
 - The value of investments in passive funds and ETFs will depend on a number of factors, including, but not limited to, market and economic conditions, and geographical region.
 - » More information in relation to risks in general may be found in the "Risk Factors" section of the Prospectus.

CHARGES

The charges you pay are used to pay the costs of running the Sub Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.
